

St. Paul's Pre-School

Our Vision

“We value, nurture and support children and their families in our community.

We believe that children thrive in a nurturing and stimulating environment where they are encouraged and challenged as individuals through their play.”

St. Paul's Pre-School

Our Vision

“We value, nurture and support children and their families in our community.

We believe that children thrive in a nurturing and stimulating environment where they are encouraged and challenged as individuals through their play.”

Our Values

Encouraging self-reliance and self-resilience.

Welcoming to all and respectful of others and their needs.

Providing a safe and secure environment where children can develop physically, mentally and emotionally.

Support for children, their families, and each other.

Always setting a good example by our manner and our interactions with each other.

Responsible and professional. Thoughtful and developing as a team.
